

Yash Kumar

Ph.D. Candidate in Operations Research

📍 Austin, TX, USA ✉ yashkumar1803@utexas.edu 🌐 yashkumar1803 🔗 yash-kumar

Education

PhD	University of Texas at Austin , Operations Research	Aug 2021 – present
MS	University of Texas at Austin , Statistics	Aug 2021 – May 2026
MS	Carnegie Mellon University , Energy Science	Aug 2017 – Dec 2018
BTech	Indian Institute of Technology Delhi , Electrical Engineering	Aug 2012 – May 2016

Publications

Efficient mathematical programming formulation and algorithmic framework for optimal camera placement	Jan 2026
Resource Planning and Equitable Work Assignment for On-site Services	Jan 2024
Market analysis for the integration of new power technologies - A case study of the deployment of hybrid fossil-based generator plus energy storage (ES-FE)	Jan 2023
Effects of Short-Term Water Constraints on Electricity Dispatch - A Case Study of ERCOT and SPP Regions	Jan 2022

Skills

Research Areas: Nonlinear Optimization, Algorithm Development, Mathematical Modeling

Programming: Python

Languages

English: Native

Hindi: Native
